type journal paper pages 70 sheets 140 pages dimensions 6 x 9 inches cover matte

Calendar of State Papers, Domestic Series, of the Reign of Charles II.

1895

in the tradition of the preceding volumes the first of which was published in 1964 this work synthesizes edited documents including correspondence ship logs muster rolls orders and newspaper accounts that provide a comprehensive understanding of the war at sea in the spring of 1778 the editors organize this wide array of texts chronologically by theater and incorporate french italian and spanish transcriptions with english translations throughout

Sessional Papers

1894

for many people corruption is a sound bite on the evening news the reality is that corruption is more akin to a parasite slowly drawing the lifeblood from a society in corruption in the twenty first century author vincent e green shares firsthand insight into the effects of corruption and shows how it is not a victimless crime greensomeone who has fought corruption in new york city for more than thirty years and used the lessons he learned there internationallyhere provides a history of corruption and its widespread effects he explains how it occurs what an investigation should look like why we should care and what strategies and tools can be implemented to defeat it he discusses various corruption cases and describes how the perpetrators were brought to justice he also details corruptions negative impact on both the present and the future designed to educate train and empower corruption in the twenty first century arms people with the knowledge necessary to put a stop to corruption defeat those who prey upon the good works of government and help those resolved to work for the good of the people
