twitter to unlock a hidden world of journalists desperate to write about you clue see an example of this strategy where we sent 3 tweets which got us featured in forbes the telegraph and the guardian websites in less than 2 weeks what most businesses don't realise is that journalists editors and bloggers are crying out for good stories to write about provided that you understand exactly what they are looking for and how to position your business in a way that makes you interesting rather than have to push push push these gatekeepers will be coming to you asking for more about the authors charlie and luke head up exposure ninja's digital pr team with years of experience running campaigns for businesses in every imaginable market and even some unimaginable ones they have developed a set of simple easy to follow systems that mean any business can get the sort of visibility online that previously seemed out of reach tim cameron kitchen is a 5 time bestselling author and head ninja at exposure ninja having helped tens of thousands of businesses to improve their online visibility and attract more customers from the internet he is one of the uk's leading digital marketing authorities and now runs the 65 strong digital marketing company exposure ninja who is this book for whether you are a solopreneur looking for free advertising or a large multinational wanting to develop a digital pr strategy to tap into the new generation of online authorities this book will guide you through the processes that exposure ninja uses day in day out to get coverage for their clients in any market from e-commerce stores to tradesmen the range of strategies covered in this book means that whatever you sell and to whomever you sell it you'll find the perfect angle for you hidden extra this book comes with free lifetime updates and a digital marketing review worth 198 details inside

2023-08-19

The Ultimate Beginner's Guide to Content Writing 2020-08-12 this book is all you need to write online content that will convert this is an interview with the author of the ultimate beginner s guide to content writing q what makes your book different from others in this niche a most of the books on content writing focus on seo seo is great you need to apply the rules to rank and feature on the first page however how good is a number one position when most of your traffic is bouncing off your pages three elements must feature in a successfully written post first you must grab attention second you must stir interest and curiosity third you must sustain curiosity when a link is broken readers skim your content they hardly click on your affiliate offers and consequently they just leave to other websites so with all the seo work you re still not converting your traffic this particular aspect that many writers shy away from is what this book is about how to create written content that converts how do you write in a way that will make me want to read every line q can you comment on the structure of the book a there are nine chapters in the book the first chapter is where the reader gets the reality check about writing for the internet it contains thirteen common mistakes new content writers make chapter two talks about writing for the internet it poses the six fundamental questions every writer must answer it is the prewriting stage these questions are meant to guide the writer in coming up with amazing written content chapter three focuses on how to write a blog post it contains simple steps to creating a blog post each step is discussed extensively chapters four and five focus on two important aspects chapter four is on headlines it is possible to rank as number one

for a search term and still lose traffic to those in numbers three and four eventually you will lose that ranking this is because the headline fails to grab attention chapter five deals with introductions first impressions also matter on the internet you can either gain traffic or lose it with your introduction it is where you ignite curiosity and at the same time state the value proposition what you will talk about subsequently chapter six deals with long form content it is okay to write 500 word blog posts however research included in the book has revealed that long form content converts more and attracts more shares this chapter helps the reader to construct long form content that will convert chapter seven focuses on proofreading how do you ensure that your work is error free most bloggers don't have professional proofreaders to go through their work this chapter teaches you how to proofread your work yourself it also suggests free online tools that can aid proofreading chapter eight deals with writing for seo this is a very fundamental aspect however seo is not as difficult as many make it on page seo is mostly what we are going to be dealing with this chapter teaches how to write seo optimized articles that can rank number one on google chapter nine is the final chapter it focuses on two aspects copywriting and email marketing the first aspect provides four important steps to writing copies that convert this aspect also applies to email copies it is useful for landing pages web copies and of course email copies a rare aspect that this book also covers is how to land in the primary folder of the gmail inbox q what set of people will this book benefit the most a this book will benefit everybody that writes for the internet as long as you create written content this book is for you it is the beginner's manual to creating content that converts there is no niche restriction on this whether you write in the medical niche or woodworking niche this book is highly

useful thank you for your time

Content Creation 2018-02-10 do you have no idea how to get traffic to your blog you have a blog and are active on social media you post often ok most of the time to be really honest you haven't posted anything worthwhile in a long time it's just so hard to keep a consistent flow of content going on a daily or weekly basis you found inspiration today and created a masterpiece but there is no way you can repeat that weekly you need some sort of strategy to make it work this is what this book is all about giving you a plan not only to create your content but also to automate the publishing by the end of this content creation strategy guide you will know the best way to here's what's included in this book plan for great content create quality content use scheduling tools to automate your publishing and make engagement easy content scheduling content automation content writing tips scroll up and download now

Content Marketing Guide 2019-11-19 buy the paperback version of this book and get the ebook version included for free are you looking for a way to achieve success with an online business without spending thousands of dollars and countless hours on marketing your business content marketing is the most effective and valuable approach you can use to achieve that goal content marketing is about gaining exposure for your business through the creation of top quality content and posting it on the right places online if you do it correctly and stick with it long enough your target audience will find you and your products and services here you can expect to learn about the importance of content creating the content which will help you achieve your goals where to place the content for the biggest impact and much more it may take a bit more time to see results when taking the content marketing route however the results that are achieved

by doing things in that way are much easier to maintain in the long term when compared to short term expensive advertising if all this sounds good to you and it should then scrolling over to the buy button and clicking it is the first step towards your online success

Content Marketing For 2020 Workbook 2020-03-31 this workbook will guide you towards creating an online content marketing positioning for your brand and business you re here because you want to apply content marketing concepts to your business turning yourself into a lean and mean content marketing machine to start what is content marketing content marketing is a strategic marketing and business process focused on creating and distributing valuable relevant and consistent content this content is meant to attract and retain a clearly defined audience and ultimately drive profitable customer action when done correctly content marketing helps create a relationship with your audience which leads to trust and if your audience trusts you they ll be more willing to do business with you when they re ready to make a purchasing decision your content should attract the right people to your site convert those people into leads and nurture and help close them into customers but it doesn t stop there your content should always delight your customers turning them into promoters of your brand in a nutshell content marketing is really just the art of communicating with your prospects and customers without having to sell to them what you ll learn in this workbook the activities and readings in this workbook will help you fine tune and grow your content marketing capabilities apply what you learned to your business if you need help feel free to send an email at paulaisworkingnow gmail com lastly follow or like my page on facebook facebook com digitalstreetagency and feel free to ask questions let me help you as you work through your content
