LL.M. Roadmap 2011-09-19 a lively concise guide to the events and ideas that have shaped america over the centuries no nation in modern history has had a more powerful sense of its own distinctiveness than the united states yet few americans understand the immensely varied sources of that sense and the fascinating debates that have always swirled around our attempts to define america with greater precision all too many have come to regard the study of their national history as tedious just as they fail to embrace the past as something in which they must be consciously grounded in this introduction to the study of american history wilfred m mcclay invites us to experience the perennial freshness and vitality of this great subject as he explores some of the enduring commitments and persistent tensions that have made america what it is

The International MBA Student's Guide to the U.S. Job Search 2008 assuming you have obtained that much sought after us student visa what next who do you contact what do you pack where is your flight coming in to land what happens if your flight is delayed this guide walks each international student through the steps needed to get to not only pack properly but also avoid those pitfalls that us customs and border protection often uses to make one s life difficult the guide lists the steps from packing to obtaining quarters planning for the weather weather delays pick up getting to the school and who to contact there reporting finding accommodation and other necessary steps to make your transition into the united states smooth

A Student's Guide to U.S. History 2014-07-29 this wise and witty guide specially created by three college guidance professionals will answer all your questions about studying and living in america you ll learn how to apply to an american college how to arrange for transportation and housing how to plan a course of study and how to fit in

socially with your american classmates and you'll also get real life advice from other international students who have experienced u s campus life firsthand a must for every u s bound international student this ideal guide also includes how to obtain a u s student visa how to choose a u s college how u s colleges make admissions decisions how to handle applications and interviews plus countdown to college a month by month checklist for international students

Acing Admissions 2014-01-17 dazed and confused nervous and excited over 800 000 international students step off the plane each year and into new lives in colleges and universities all around the united states the journey is exhilarating but it is not always easy international students share a number of challenges that can hinder success including limited english language skills culture shock and a lack of familiarity with academic norms and expectations in the u s negotiating through life in a strange new environment calls for a reliable guide a solid source of information and tips to help international students make the transition to life in the u s meet expectations inside and outside the classroom and reach their academic social and career goals this guide addresses the broad range of questions international students ask about the u s with information on everything from what to pack for the trip to how to write papers to why networking is important for career success includes detailed practical advice about culture language and the american university system

International Students' Guide to the USA 1996 there has been a remarkable explosion in the numbers of international students coming to the u s for educational purposes while the u s has been a popular destination for foreign nationals to come for their university experience the most notable increase has been students coming for one or all of their high school years in preparation for getting into the university of their choice there are many excellent resources for the cultural exchange student who comes to the u s for one year but nothing for these longer term secondary students there is also useful information on a variety of important topics for foreign students coming to the u s for university but not all in one place there is no comprehensive work that covers everything international students need to know to help them transition well and thrive in their new setting and nothing about the unavoidable social emotional issues involved in such an enormous adjustment this is the book that fills the information gap from preparing to leave to understanding culture shock beating homesickness understanding american culture dealing with academic challenges staying healthy managing money choosing the right university and avoiding the pitfalls of independent living survive and thrive the international student s guide to succeeding in the u s tackles the most common challenges international students face in their transition to the u s and gives them strategies for overcoming them this is a guide book that helps these students understand what takes place in transition and gives them the tools and strategies they need to not only survive but to thrive in the adjustment parents will appreciate the chapter dedicated to how they can come alongside their students prepare them for the journey and support them throughout this major transition as well as a chapter to help their student deal with re entry
