## The Golden Age of Death

2013-02-26

meet amber benson s authentically original creation locus my name is calliope reaper jones callie to my friends i m death s daughter and as of very recently the reluctant head of my father s company death inc i was gradually learning how to be a businesswoman had the power suits and shoes down though the day to day was slow going then i was blindsided by enemies unknown and sent off to i don t know where not a good thing now not only must my friends and family be frantic but without a ceo death inc can t function with the newly deceased left free to roam the earth it s the zombie apocalypse come true i ve got to get back for my sake and the sake of oh all humanity

## The Aesthetics of Culture in Buffy the Vampire Slayer

2015-03-21

on the tv screen as elsewhere there is often more than meets the eye for decades television has offered not just entertainment but observations subtle and otherwise on society this book examines the cultural commentary contained in buffy the vampire slayer a show that ran for seven seasons 1997 2003 and 144 episodes on the surface buffy is the marriage of a high school drama to gothic horror this somewhat unusual vehicle is used to present via the character of buffy fairly typical views of late 20th century culture teenage problems issues regarding a broken home and the search for meaning and validation in addition subtler themes such as cultural views of knowledge ethnicity and history are woven into the show s critique of popular culture organized into two sections this volume offers an in depth examination of the show first through the lens of buffy s confrontation with culture and second from the complex perspectives of the individual characters issues such as values ethical choices and the implications of one s actions are discussed without ever losing sight of the limitations of a medium that will always be dominated by financial concerns the final chapter summarizes what buffy has to say about today s society an appendix lists buffy episodes in chronological order
