All I Asked for Was a little Faith 2015-03-06

you know the saying be careful what you ask for all i asked for was a little faith details the transformative journey this request took me on over the course of several years what i thought would be a simple request has turned out to be a lifetime journey oftentimes we ask for things from god without fully knowing or considering exactly what it is that we are asking for well know this faith is not faith until it has been tested faith is a gift that is tried and forged in the fire of god s love it is a gift that requires processes and i had no idea of the trials and tribulations that come along with the process of receiving this gift like anything that is planted faith must be planted and then cultivated for it to grow as you take this journey with me my prayer is that sharing both the joys and pitfalls i encountered on my walk down the path of faith to freedom will help you in your journey to freedom and victory you are not alone on this journey and my hope is that some of the unnecessary difficulties i faced will be a teaching tool to help you to avoid those same mistakes in your walk lord if but one your will be done
