i wake up in the hospital with no memory of the past six months now i live with a man who s practically a stranger and i have no idea why when my father died i lost everything family career friends money support i remember the loss not what came after but evidently everything changed in the months i can t recall brilliant scarred aloof arthur worthing was nothing more than a friend of my dad s but he must have felt sorry for me he gave me a job and a place to live he took care of me when no one else would i know it s not that simple however there are secrets he won t tell me there are truths hiding in the shadows of his two hundred year old mansion i m feeling things i shouldn t feel for a completely inappropriate man one who s spent his life putting up walls if i m not careful i ll lose everything again but certain things are inevitable and amnesia isn t strong enough to hold back the heart even if it means i fall in love with him twice

when i arrive at a luxury spa resort for a much needed vacation the last person i expect to find is my best friend s grumpy older brother carlton got his heart broken years ago and has been jaded and reclusive ever since he might be at the resort to work but i m here to relax and i m not going to let his obnoxiousness get in my way only it s hard to relax when he s around he s much too good looking and he s always been able to rile me up i shouldn t go out of my way to taunt and bicker with him but he s too tempting a target i can t help it then we accidentally end up in bed together and the situation gets even more complicated because now we have to go back home to green valley and pretend it never happened there has to be a limit to the mistakes i make with carlton an unwise vacation fling is one thing but i m not going to fall in love with the man that would be the biggest mistake of all

most people don t have a nemesis but i do his name is rafe archibald on the first day of kindergarten he stole my chocolate cupcake in sixth grade he won the big essay contest while i ended up runner up all through high school he was my academic rival and in college he dated all my friends after graduation i hoped to be rid of him at last but he moved into the apartment across the hall he s always around inescapable constantly infuriating me with his too long hair his laid back attitude and his smug smile just when i think it can t get worse it does our grandmothers start meddling they decide we must be secretly in love and concoct a matchmaking scheme when my grandmother announces she s inviting all her friends and family to her huge country estate for an old fashioned holiday house party i m excited about a two week break from running into rafe in the hallway at the coffee shop and at our favorite bar then there he is at my grandmother s house for christmas in the room across the hall their set up won t work i ve developed a lifetime s worth of resistance against rafe s dubious charms sure i might slip and fall into bed with him but that s an accident and won t happen again and even if it does it still won t touch my heart after all the last thing a smart woman should do is fall in love with her nemesis

my three priorities for this year are to finish my phd avoid emotional drama and earn some extra money so when steve hires me to act like his girlfriend for an extended business trip i don t hesitate to sign the contract after all the job will be easy i can join him for the occasional dinner pretend to adore him and still have plenty of time to focus on my academic work i m used to working with rich entitled men so i m not worried about handling him except steve is nothing i expect he s brilliant and funny and has emotional depths that keep surprising me and he s hot definitely hot i m starting to want more from him than this job allows so avoiding emotional drama might not be in the cards for me this year i work for companions for hire which means sex is against the rules and falling in love is out of the question the girlfriend is the first book in the companions for hire series about a company that provides a variety of social partners for a price
