

## Free reading On revolution hannah arendt Full PDF

On Revolution is a 1963 book by the political theorist Hannah Arendt who presents a comparison of two of the main 18th century revolutions: the American Revolution and the French Revolution. Arendt's book on revolution presents a comparison of two of the main revolutions of the 18th century: the American and French revolutions. She goes against a common impression of both Marxist and leftist views when she argues that France, while well studied and often emulated, was a disaster and that the largely ignored American Revolution was a success.

Hannah Arendt (1906–1975) was one of the most influential political philosophers of the twentieth century. Born into a German Jewish family, she was forced to leave Germany in 1933 and lived in Paris for the next eight years, working for a number of Jewish refugee organizations. Arendt's *On Revolution* (1963) is a key work in her oeuvre. It is a critical analysis of the American and French Revolutions, and it is a critique of the Marxist tradition. In her essay *On Revolution*, Hannah Arendt has tried to settle accounts with both the liberal democratic and the Marxist traditions. That is, with those two dominant traditions of modern political thought which, in one way or the other, can be traced back to the European Enlightenment. Arendt's basic thesis is that both liberal democrats and from the eighteenth century rebellions in America and France to the explosive changes of the twentieth century, Arendt traces the changing face of revolution and its relationship to war, while underscoring the crucial role such events will play in the future.
