yemen is justly famed as one of the world s most dramatically beautiful countries seen in the yemen brings the people architecture and landscapes of this ancient culture alive to the reader through the medium of the author s remarkable black and white photographs taken in the 1970s and here reproduced in duotone his book is also a tribute to one of the most famous of all arab and asian travellers the late dame freya stark 1893 1993 in the mid 1970s at the age of eighty three she made two visits to the author who was then serving in sana a their travels together through north yemen marked the start of a long friendship the volume is also designed to emulate freya stark s earlier classic seen in the hadhramaut published by john murray in 1938 beginning with reminiscences of dame freya the author recalls the time they spent together in yemen her musings on the past and their

mutual devotion to leica cameras he goes on to give a brief account of yemen s history and geography and describes his adventurous rediscovery of the remaining ancient jewish community around sa dah in the far north all this is brought alive in his extraordinary images taken on his own wanderings and also on journeys with dame freya and other noted arabian travellers such as wilfred thesiger and dame violet dickson the prints are introduced by a short description of those notable 1930s screw thread leica cameras used by so many early explorer photographers yemen today like the rest of arabia is undergoing rapid and inevitable change and at the time of writing is much in the news this book records a time when town and country had only recently embarked on the decades of upheaval and much was visually unchanged the author s artistic eye imparts an unforgettable aura of romance and nostalgia to his pictures which like freya stark s will cast their spell over readers present and future
