reimagined and expanded with 40 000 more words than the original my mind forced me to forget the pain but when he walked back into my life my heart begged me to remember i blinked at the time i didn't think anything of it it was automatic a harmless bodily function i did often i didn't expect that the next time i opened my eyes i'd be waking in a hospital room with a gunshot wound and a concussion eight months forgotten i've been told it's better that way to have my memories suppressed to forget the pain of everything i endured but if it was all so terrible then why does the stranger with the stormy chocolate brown eyes make my heart betray me why does he make me feel things i have no right to feel when my heart belongs to someone else my hand instinctively flies to my neck sliding along the bumps popping up beneath my fingertips i feel like i should already know how to read them and maybe i should because the man in front of me connects me to my memories

he s the reason i forgot the man who betrayed me killed to protect me the reason my heart s been torn in two please note this book contains sensitive subject matter if you are affected by triggers or have experienced serious trauma it may not be for you not recommended for persons under 18 years of age beautifully broken is the final book in a three book series each book should be read in order to avoid any spoilers and to follow the continuity of the story read the whole damaged series the broken series 1 3 tragically broken deeply broken beautifully broken companion novels 4 6 fractured desolate scorned

BEAUTIFULLY BROKEN

2022-08-30

beautifully broken was born many years prior to the first words hitting the pages of this book my experience with suicide started as a child with my mother s suicide attempts and continued with the loss of one of my best friends while i was in college after that loss my brother attempted suicide and one of my first true loves took his life and my father also died from suicide my husband was my strength and the only way i survived the loss of my father and just a couple years before this book became real he himself took his own life the journey through loss from suicide is unlike any other loss there are more layers of grief and more challenges with a suicide than anyone could ever be prepared to face it is my hope that what i have learned and have experienced may help others in facing this horrible type of loss suicide can be a haunting and i pray that beautifully broken is a way to turn the light into the darkness and lead you through with someone that knows what you are feeling and how to navigate through the dark places cover artist susan m gibbons

Beautifully Broken Control

2020-02-18

a woman trying to rebuild her life kennedy is doing all she can to escape to prove that she s not the

monster her father was a simple life of peace and service is all she needs a man haunted by a past he can't forget cain has buried his demons under layers of control and success the only thing he needs is his company and his solitude certainly not a woman with captivating green eyes filled with ghosts so similar to his own he's a reminder of the life she's left behind and she's a threat to his tightly guarded control as sparks fly between them they discover that what they might need most is each other but with pasts like theirs you never know when darkness might descend

Beautifully Broken

beautifully broken is a must have if you have faced situations that have left you feeling well broken

abigail shares her experience and knowledge gained on her journey to overcome each situation she has been faced with her passion and determination shines through and is contagious this book is raw yet empowering today abigail is able to use all the situations which have broken her in the past to enable her to take a new positive outlook no matter what she has been able to reconnect the broken parts to make her stronger and more beautiful this book shares with you some of the tools that abigail wished someone had shared with her when you have the tools and knowledge you are able to gain a better understanding of who you are and most importantly how to deal with situations while keeping your mental wellbeing intact having silently suffered and covering up her mental health illnesses she is now completely open and loves to discuss how she feels and she encourages others to be open and screw the stigma be you be confident be daring and don't let anything or anyone stop you from following your dreams while writing this book abigail faced an abnormal smear which resulted in day surgery but it is thanks to writing this book and reminding herself of the tools she advocates and she was able to face the world with a positive outlook despite the circumstances so if you want to be uplifted and learn how to accept that life is not perfect and there will always be events that test us we are strong enough to keep going and live our best life
