A Century of Restaurants 2013-10-15

army girls is the intimate story of the final few women who served in world war ii and are still alive to tell their tale they were female soldiers in a war britain wanted to fight without conscripting women it was a vain hope by december 1941 for the first time in british history women were called up and a generation of girls came of age in khaki serving king and country barbara trained to drive army style in giant trucks and grace swapped her servant s pinafore for battledress and a steel hat martha turned down officer status for action on a gun site and olivia won the croix de guerre in france commemorating the 80th anniversary of conscription for women army girls captures remarkable stories from the last surviving veterans who served in britain s female army and brings to life a pivotal moment in british history precious memories and letters are entwined in a rich narrative that travels back in time and sheds new light on being young female

and at war uniquely this moving second world war memoir is embedded in the present day written in the midst of a global pandemic the parallels and paradoxes between two very different national crises are explored in a book that honours the women who fought on in extreme youth and now once more in great old age

Les études philoniennes 2021-07-19

bringing together a team of formal linguists functional linguists discourse analysts anthropologists psychologists and sociolinguists this book asks what questions do and how a question can shape the answer it evokes the volume includes data from a range of languages and cultures

Army Girls 2021-11-04

this is the first edited volume dedicated specifically to humor in interaction it is a rich collection of essays by an international array of scholars representing various theoretical perspectives but all concerned with interactional aspects of humor the contributors are scholars active both in the interdisciplinary area of humor studies and in adjacent disciplines such as linguistic pragmatics sociolinguistics discourse analysis psycholinguistics gender and translation studies the volume effectively offers an overview of the range of phenomena falling in the broad category of conversational humor and convincingly argues for the many different functions humor can fulfill bypassing simplistic humor theories reducing humor to one function all the articles draw on empirical material from different countries and cultures comprising conversations among friends and family talk in workplace situations humor in educational settings and experimental approaches to humor in interaction the book is sure to become an important reference and source of inspiration for scholars in the various subfields of humor studies pragmatics and socio linguistics

the period of revolution and toleration in england was filled with rapid change political uncertainty and ecclesiastical volatility still recovering from the strife of civil war and a divisive restoration the relationship between the church of england and nonconformists remained deeply strained although dissenters were granted the right to gather for worship under toleration their legitimacy was regularly challenged within this context a variety of significant controversies arose in which james owen a welsh presbyterian minister played a prominent role and was a leading voice for moderate nonconformity along with a group of moderate nonconformist friends like edmund calamy philip and matthew henry and francis tallents owen defended a version of protestant ecumenism this was a theological conviction that 1 the unity of the protestant church was indispensable and 2 this unity was to be found in agreement on essential doctrines not in sharing ecclesiastical structures owen along with his associates defended the dissenters separation from the church of england as biblically sanctioned and at the same time emphasized that such separation was not schismatic owen s clear biblically articulate and historically informed writing made his contribution to the period of toleration significant and influential
